FYP COLLABORATION LETTER

Date: 15th March, 2026

To:
The Head of Department of Software Engineering
Capital University of Science and Technology
Islamabad Expressway, Kahuta Road, Zone-V Sihala, Islamabad

Subject: Confirmation of Final Year Project Collaboration

Dear Sir,

This letter is to confirm that **APP in SNAP** is willing to collaborate with students from the **Department of Software Engineering, CUST** for their **Final Year Project**.

Our organization has provided a project problem statement titled **"Performance Evaluation Tool"** for the students of BS Software Engineering:

- Ahmed Mujtaba BSE231092
- Nauman Manzoor BSE231094
- Omer Yar BSE231086

under the supervision of Mr. Muhammad Majid Zaman, and the intellectual and academic evaluation of the project will remain under the authority of the university.

Through this collaboration, APP in SNAP will:

- Provide the project idea and basic requirements.
- Offer initial guidance regarding the problem domain.
- Allow students to develop the system as an academic project.
- Review the final project outcome.

This collaboration is purely for academic purposes and is intended to help students gain practical experience in solving real-world software engineering problems.

We appreciate the efforts of the university in encouraging industry–academia collaboration and providing students with opportunities to work on real-world software problems.
